

Sorrawich Yooboon

Computer Engineering

Education

2017 – NOW Naresuan University, Bachelor of Computer Engineering

Cumulative GPA : 2.48

2014 – 2016 Chalermkwansatree, Science and Mathematics Program

Cumulative GPA : 3.15

2011 – 2013 Phitsanulok Phittayakom, SMAT Program

Cumulative GPA : 3.57

Activity

- Network Interink Camp NU
- Busniess Camp NU
- Building game competition in high school 2 times
- Drummer in a sports event in high school

Technical Skills

- | | |
|--------------|-------------------|
| • Python | • Linux |
| • C | • Matlab |
| • C# | • VMware |
| • VB.NET | • Octave |
| • HTML5 | • MQTTlens |
| • CSS | • Arduino |
| • JavaScript | • NodeMCU ESP8266 |
| • SQL | • MCS-51 |
| • Unity | • Embedded System |

Current Studying

Project about AI

- Machine Learning, Deep Learning
- Tesseract OCR
- YoloV3
- Neural network
- Face Mask Detection with AI
- Face Recognition with AI
- ID Card Digitization and Information Extraction with AI
- Monitoring skin temperature at the wrist with AI

Language Skills

- Thai : Native
- English : Good writing, reading, speaking and listening

Introduction

A Computer Engineer who likes making iot devices, interested in electronic components in car and likes challenging job. Have enthusiastic about learning and responsible for the assigned work.

Strength

- Work well under working pressure
- Productive team player
- Energetic and good human relation
- Fast learning and hard working
- Active and enthusiastic
- Responsible
